Adriana Gutierrez  
Guiguinto, Bulacan, Philippines

## About Me

I am a motivated BSIT student with a strong foundation in information technology and a passion for continuous learning. Recognized as a consistent Dean's Lister and Scholar, I combine technical knowledge with strong leadership, communication, and problem-solving skills. I aim to contribute innovative and practical solutions in the IT field while further developing my professional growth.

## Education

### Bachelor of Science in Information Technology

La Consolacion University  
Philippines | 2022 – Present

Currently pursuing a degree in Information Technology with focus areas in software development, databases, and networking. Recognized as a consistent Dean's Lister and University Scholar, and an active member of the JPSSITE Organization Committee.

### Senior High School – TVL ICT Strand

La Consolacion University  
Philippines | 2020 – 2022

Completed the ICT strand with High Honors and awarded Best in Research. Developed practical skills in programming, design, and technology, which strengthened both academic and project-based performance.

### Junior High School – Computer Technology

Guiguinto National Vocational  
High School | 2016 – 2020

Graduated as a consistent honor student with strong foundations in computer technology. Actively participated in clubs, competitions, and leadership roles, showcasing both academic excellence and extracurricular involvement.
